

FAQ

Why ICSEGuru?

Unlike other boards, ICSE board examines '*application*' of knowledge. Many students are unable to cope with Physics and Mathematics subjects at school and are deeply stressed. There is a dearth of affordable, effective and consistently efficient tutors for the subjects. Hence *ICSEGuru*.

Who is the tutor?

RRP with a background in engineering and extensive corporate experience, is cut out for the job. He himself being parent of ICSE students, is well aware of the plight.

Is the same tutor available for the entire academic year?

Yes! Absolutely !!

What are prerequisites for student enrollment ?

Student should have appeared or already passed IX standard ICSE examination in the subject.

Can a student opt for tuition in only one subject (mathematics or physics) ?

Yes! student can opt for only one subject or both.

Is tuition offered offline or online ?

Both offline and online modes are available.

What is the difference between online and offline?

There is no difference in course content or overall schedule. Students may choose any one batch as per their preference.

How can a student discontinue ?

Student may discontinue anytime with due intimation in writing (email or whatsapp). No paid fees, if any, shall be refunded under any circumstance.

Does ICSEGuru provide any study material?

ICSEGuru shall provide privileged access to lecture videos on youtube channel, shall email solution pdfs, digital learning aids etc from time to time.

What is course duration & schedule ?

Registrations are open through **March** to **Jun** every academic year, with **May** month being observed as summer holiday. Ofcourse no fees is charged for **May** holidays. The course shall end by end of **Jan** following year. The schedule is as follows:

Mon, Wed & Fri - Physics 2 sessions of 40 min each day with 10 min break.
Tue, Thu & Sat - Mathematics 2 sessions of 40 min each day with 10 min break.
Sunday holiday. 15 Festive holidays, as published by *ICSEGuru* each year.
